## HYPERALLERGIC

### Your Concise Guide to Armory Week 2019

Your useful guide to the fairs and exhibitions of interest this week.

by Deena ElGanaidi

**Daniel Rozin: Sol**

When: Through March 17

Where: bitforms gallery, 131 Allen Street, Bowery, Manhattan

Daniel Rozin's eighth solo exhibition with bitforms gallery explores the relationship between natural and mechanical structures. The works on display include custom software and organic materials set up to interact with gallery guests. Viewers are then asked to think about their bodies in relation to the objects in the exhibition.
